There is always a sense of something mystical & intrinsic about Indian cuisine, & that feeling comes from the variety of culinary skills that have formed the basis of this cuisine & from the reverence with which it is prepared.

Our experienced master chefs enhance traditional north Indian cuisine by combining it with their own unique style, preparing each dish with delicacy & blessing it with its own distinctive aroma, flavour & presentation to provide a dining experience that is sure to excite your palate & make your meal a memorable one.

Our Staff will make a sincere effort in providing you with the same warm & courteous hospitality that was provided to the Maharajas of India many years back.

So allow us to take pleasure in serving you with only the exquisite...
